

LINING UP THE BIN LINERS. WHICH SIZE IS FOR YOU?

BIN BAG	DETAILS	YOUR BEST BIN MATCH
<p>BioBag Com- postable Bin Liners 8 Litre Roll (75 Bags)</p> 	<p>The perfect size to line your compost bin or to hang near your kitchen sink, these are the smallest bin bags in the range.</p> <p>The bags are 38.5cm w x 40.0cm h - Best suited for bins with the approx. dimensions: 23cm w x 18cm d x 21cm h (The BioBag kitchen caddy is the perfect size)</p>	 
<p>BioBag Com- postable Bin Liners 10 Litre (25 Bags)</p> 	<p>Another brilliant option as a food waste bag, these liners are larger than the 8L but are still small and convenient to tuck away under your kitchen sink.</p> <p>The bags are 43cm w x 45cm h - Best suited for bins with the approx. dimensions: 20cm w x 33cm d x 34cm h</p>	

BioBag Com-
postable Bin Liners
20 Litre
(20 Bags)

The 20 L bags have super convenient 'singlet style' handles ensuring a quick and easy removal out of the bin. They're again quite stretchy but still sturdy enough to hold your food waste.

The bags are 41cm w x 54cm h - Best suited for bins with the approx. dimensions: 29cm w x 38 cm d x 38cm h

BioBag Com-
postable Bin Liners
30 Litre
(14 Bags)

BioBag Com-
postable Bin Liners
30 Litre Roll
(25 Bags)

Our most popular bag out of the bunch, available in both 14 bags or 25 bags.

While these liners are thin, we have received such great feedback praising their surprising strength. We still don't recommend placing any sharp objects when using the liner as the thin material may tear.

The bags are 51cm w x 60cm h - Best suited for bins with the approx. dimensions: 29cm w x 29cm d x 59cm h

BioBag Com-
postable Superline
Bin Liners 35L
(40 Bags)

The first size option in the Superline category - These superline liners are thicker and suitable for food waste and light general waste. These waste bags are highly breathable and compostable and help make pre-sorting of food waste easy and hygienic for households.

The bags are 60cm w x 74cm h - Best suited for bins with the approx. dimensions: 35cm w x 38cm d x 68cm h

BioBag Com-
postable Superline
Bin Liners 50L
(32 Bags)

Another Superline favourite, these bags are the perfect size for families with those larger food bins.

The bags are 60cm w x 94cm h - Best suited for bins with the approx. dimensions: 40cm w x 40cm d x 73cm h

BioBag Com-
postable Superline
Bin Liners 80L
(20 Bags)

The largest BioBag we range, these Superline liners are great for small wheelie bins. Note, the material isn't as thick as regular plastic (they are made from plant material) so you do need to be careful with sharp items.

The bags are 82cm w x 105cm h - Best suited for bins with the approx. dimensions: 44cm w x 51cm d x 82cm h
